

Tanbark Tunnel - Bull Gap

Distance – 3.3 miles

Total Elevation Gain – 527 feet

Note: The elevation gain is all in the first mile of the walk at a grade of 13% on the way up to Rattlesnake Lodge. This is very strenuous by club standards and the trail is very rocky. The last 2.3 miles is all downhill.

Driving Directions from the [Folk Art Center \(Milepost 382\)](#):

All groups meet at the Folk Art Center. Continue North on the parkway to the [Tanbark Ridge Tunnel](#) (Mile Marker 374.4) and drop off passengers.
